Apologetics Homework Assignment 22

Unit 5 Topic Selection

As we near the end of the confirmation year, we turn our attention to Unit 5 of our book, aka the “grab bag” unit. Unlike the other units, which are bound together by overarching themes (i.e. creation science; evidence for Jesus; the text of the Bible), this unit is just a collection of frequently asked questions about the Christian faith.

We don’t have time to cover all of these lessons, so I am asking for your input: which topics interest you the most? Please rank with a 1, 2, and 3 (with #1 being your first choice) the 3 topics you would most like to learn about with the time we have left. I would also love it if you could share any notes you have on why you made certain choices. Feel free to skim through the relevant lessons in your book to get a feel for what you’ll be learning.
