### Memory Work:

The Fourth Commandment and its explanation:

Honor your father and your mother.

*What does this mean?* We should fear and love God so that we do not despise or anger our parents and other authorities, but honor them, serve and obey them, love and cherish them.

The Fifth Commandment and its explanation:

You shall not murder.

*What does this mean?* We should fear and love God so that we do not hurt or harm our neighbor in his body, but help and support him in every physical need.

Memorize the names of the books of the New Testament, in order, from Matthew to Acts (see back side for full list). The new books learned this week comprise the Gospels and the Acts of the Apostles. Note that from now on, sections from the Old Testament will be given as extra credit work on all memory quizzes.
